The BLM understands the importance of serving a diverse American public with personnel who represent them. As an organization, we are dedicated to building a workforce with unique perspectives - representing different cultures and ethnicities, geographic regions, genders, ages, interests, skills and more. To successfully fulfill our mission - and manage public lands for recreation and other uses for the American public - it's critical that we employ a diverse array of talent.

INFORMATION FOR VETERANS AND INDIVIDUALS WITH SPECIAL NEEDS:

The BLM actively seeks a diverse pool of well qualified job applicants. This includes U.S military veterans. For specific information on veterans preference in federal government go to: <http://www.fedshiresvets.gov>

The Federal Government has a special Schedule A appointing authority for persons with Mental Retardation, Severe Physical Disabilities, or Psychiatric Disabilities. For info go to: <http://www.opm.gov/disability/peoplewithdisabilities.asp>

For information on our student/interns programs can be found at: www.blm.gov/or/index.php or contact the BLM Student Employment Education Coordinator at amalray@blm.gov

If you question about Bureau of Land Management (BLM) opportunities feel free to contact me. Jobs for all BLM jobs can be found at www.usajobs.gov or www.blm.gov.
